PETITION TO RESET DATE FOR REPLY TO OFFICE ACTION
(M.P.E.P. §710.06)

Sirs:

Pursuant to M.P.E.P §710.06, Applicant respectfully requests that the period to reply to the Final Office Action dated December 3, 2002 be reset to expire on May 5, 2003. Applicants' attorney received a Final Office Action dated December 3, 2002, and filed an After Final Response on February 3, 2003. Applicants' attorney received an Advisory Action on May 8, 2003. Although the Advisory Office Action is indicated as being mailed on April 2, 2003, the postmark date, May 5, 2003, is substantially later than the mail date printed on the action. Applicant's attorneys only received the correspondence on May 8, 2003. Because all of the time in the original 3 period to respond to the Office Action has lapsed, Applicant respectfully

Official

requests that the period for response be reset to expire on May 5, 2003, the date that the Advisory Action was postmarked.

This petition is being filed within two weeks of Applicant's receipt of the Advisory Action and a substantial portion of the set reply period has lapsed. The due date for a timely response would normally expire on the mailing date of the Advisory Action.

A copy of the front cover of the Action and the envelope in which the Action was received is enclosed. The Action indicates a "Date Mailed" on April 2, 2003. The envelope in which the Action was received bears a postmark dated May 5, 2003. Both items bears a "date-in" stamp indicating the date the document was received by Applicant's attorney as being May 8, 2003.

Also enclosed is a copy of Applicant's attorneys' docketing/ "mail-in" log, which shows May 8, 2003 as the recorded date of receipt of this correspondence by Applicant's attorneys.

The undersigned hereby certifies that the Perman & Green date stamp and docketing log establishes the date of receipt of the Office Action at the correspondence address. All mail received to the correspondence address is directly delivered to our docketing manager. As each item is received, the envelope and the front page of the document therein are date stamped. The document therein are date stamped. The document therein is reviewed and docketed in the "mail-in" log as well as logged in our docketing computer. Both the envelope and Action are stamped May 8, 2003, and the docketing log indicates that the correspondence was received and logged on that date. Therefore, it is respectfully submitted that May 8, 2003 is the date on

which the correspondence was received at the correspondence address, which is well after the indicating mailing date of April 2, 2003.

Therefore, Applicant respectfully requests that the time to reply to the Final Office Action be reset to expire on May 5, 2003.

Although no fee is due in conjunction with this petition, the Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350. The Examiner is respectfully requested to contact the undersigned if any fee should be due.

Respectfully submitted,
